Dear Christopher:

Thank you for completing an application and taking the time to meet with me to discuss your interest in serving as a student member of the Greater Lodi Area Youth Commission. It is people like you, willing to donate their time and effort, that make Lodi a very special place.

I interviewed many qualified and capable candidates, making the selection process a difficult one. As we discussed on the phone, only eight positions were available and those recommended for appointment on August 7, 2002 would serve either one or two-year terms. Your application will remain on file with our office and be considered for any future vacancies until such time as it reaches its two-year expiration date.

Although your name was not among those candidates selected, I would encourage you to contact the Youth Commission Liaison, Yvette Maragliano, at 333-6782 to volunteer and participate in the many events and programs conducted by the Commission. A copy of your application was forwarded to Yvette for her files.

Thank you again for your interest in serving our community, and I wish you good luck in school this year and as you work and plan for your future.

Sincerely,

Dear Steven:

Thank you very much for completing an application and taking the time to personally meet with me regarding an appointment to the Planning Commission. It is people like you, willing to donate their time and effort, that make Lodi a very special place.

I interviewed many qualified and capable candidates, making the selection process a difficult one. As we discussed on the phone, another candidate was recommended for appointment at the August 7, 2002 City Council meeting. Your application will remain on file and be considered for future vacancies until it reaches its two-year expiration date.

Again, thank you for your interest in serving our community.

Sincerely,

Phillip A. Pennino
Mayor
